Sky Ranch Summer Trip Options (Grade listed represents grade completed)

6-8 Graders ~ \$700

Mountaineers

Whether you are a first time camper or have been to camp before, there are always new things to do, new friends to meet, and God's promises to discover. With their cabin mates, campers will get to challenge themselves on the high ropes course, feel what it's like to be in front of people while leading worship, and learn basic backpacking skills with a night at Black Elk in a tent. Finish the week with the rest of the group white water rafting.

8-12 Graders \$730

Timberline Trail

Timberline Trail trips establish a base camp high in the mountains in order to take day hikes to locations not normally reached with full gear. Enjoy camping near rock formations or in cool, wooded forests near timberline. Day routes vary according to group ability but choices include scenic overlooks above timberline, hidden lakes filled with trout, or the site of a B-17 crash. We'll finish the week with the rest of the group white water rafting.

8-12 Grades ~ \$730

Refugee Communities, Fort Morgan, CO

Experience the gift of community in unique and powerful ways. Hosted by Lutheran Church of Our Redeemer, the week will consist of serving in local agencies and partnerships focused on supporting the refugee and immigrant populations. Time will also be spent learning about the journey and experience of refugee people. We'll start and finish the week at camp including white water rafting the last day.

9-12 Graders ~ \$730

Wilderness Journey

Surprise yourself with a traditional 5 day 4 night loop-backpacking trek. The Wilderness Journey will take you over high mountain passes, to the top of peaks, and to hidden streams and lakes. Each trip is geared to your group's wants and abilities. This is a trip into the high country that you'll never forget. We'll end our time with the rest of the group white water rafting.

9-12 ~ \$730

Rendezvous

Gather your friends, both near and far, and rendezvous at Sky Ranch. Come for a week jam-packed with once-in-a-lifetime experiences. During the week, you will stay on site and experience our low and high rope courses, day hike the high altitude trails around Sky Ranch, spend a day serving others, and finish the week with an exhilarating rafting trip on the Poudre River. Campers sleep in tents and prepare meals over the fire.
